## Graphic Organizer

AIM

*What were the causes and effects of the War of 1812*

**Directions:** On the next page is a graphic organizer that sorts out the causes and effects of the War of 1812. Review the events in the table below, place each event in the appropriate section of the graphic organizer, and explain why it is a cause or an effect of the War of 1812. When you are done, answer the analysis questions below the graphic organizer.

### Causes & Effects of the War of 1812

War Hawks (ex: Henry Clay)	Star Spangled Banner	American nationalism rises	American expansion was finally accepted
Rise in American cotton manufacturing	Erie Canal	British Impressment of American soldiers	Era of Good Feelings
Disruption of trade w/ France and England	Desired expansion into Canada	Dispute with Native Americans over American expansion	Burning of the White House
Native Americans lost more land	Federalist party ended	Andrew Jackson rises to prominence	America becomes a globally recognized nation

**Causes**

**Effects**

**War of 1812**

**Analysis Questions:**

- 1) The War of 1812 is often referred to as the the second war for American independence. Why might it be called that?
- 2) The War of 1812 led to a rise in nationalism. Why do you think the American victory triggered this change?
